ISCAS 2018

THE ART OF CIRCUITS & SYSTEMS

IEEE CAS Transactions Paper Presentation at ISCAS2018

The ISCAS2018 Organizing Committee invites authors of an accepted paper published in one of the following IEEE Transactions (co)sponsored by the IEEE Circuits and Systems Society to present their work at **ISCAS2018** in Florence (<http://iscas2018.org/>), subject to fit within the scope of the symposium, space availability and approval by the ISCAS2018 Organizing Committee.

- ◆ IEEE Transactions on Circuits and Systems – Part I: Regular Paper
- ◆ IEEE Transactions on Circuits and Systems – Part II: Express Briefs
- ◆ IEEE Transactions on Circuits and Systems for Video Technology
- ◆ IEEE Transactions on Biomedical Circuits and Systems
- ◆ IEEE Transactions on Very Large Scale Integration (VLSI) Systems
- ◆ IEEE Transactions on Multimedia
- ◆ IEEE Design & Test

Papers published between January 1, 2017 and December 31, 2017, as well as those in the pre-publication list are eligible for presentation at ISCAS2018. Because these papers have already been peer-reviewed and published, the Transactions papers to be presented at ISCAS2018 will not be reviewed again.

An abstract of the paper and a link to the publication hosted in *IEEE Xplore* will be included in the conference proceedings for the benefit of the ISCAS2018 participants, and will not be uploaded to *IEEE Xplore* after the conference.

Submission procedure

Please submit your request to present a published work at <http://www.epapers.org/iscas2018> with “Papers from CAS Journal” as the Primary Track and an appropriate topical sub-track as the Secondary Track. Each request must include the following needed Information:
