ISCAS·2018

YOUNG INVESTIGATOR TRAINING PROGRAM

General Co-Chairs

Franco Maloberti
University of Pavia, (ITA)

Gianluca Setti
Politecnico di Torino, (ITA)

Technical Program Co-Chairs

Enrico Macii
Politecnico di Torino, (ITA)

Yong Lian
Lassonde School of Eng. (CAN)

YITP Committee

Sergio Callegari
University of Bologna (ITA)

Pamela Abshire
University of Maryland (USA)

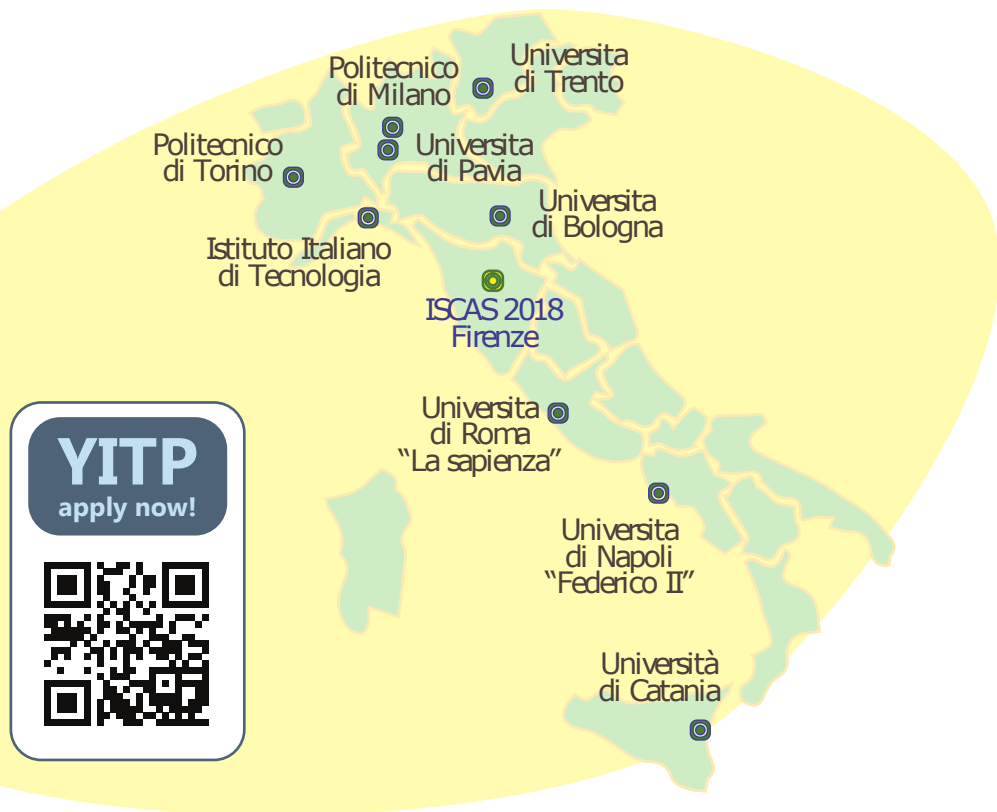

Eduardo Da Silva
Fed.Univ. of Rio de Janeiro (BRA)

Fabio Pareschi
University of Ferrara (ITA)

Wouter Serdijn
Delft Univ. of Technology, (NL)

Mauro Mangia
University of Bologna (ITA)

Thanks to a financial contribution from ACRI (the Italian Association of joint-stock Savings Banks and Foundations of Banking Origin), ISCAS2018 can provide full funding to young researchers for participating to the symposium and spending a one-month period (attached to the ISCAS event) as visiting scientists in one of the leading Italian universities and research centers that take part in this program.

Important Dates

February 28, 2018

Final Paper submission

March 16, 2018

YITP application deadline

Conference Program

May 27, 2018

Tutorials & welcome reception

May 28 - May 30, 2018

Technical sessions, exhibition

Social event & gala dinner

Info and instructions:

www.ISCAS2018.org

Eligible candidates must qualify as young researchers (PhD students, or PhD holders for no more than 10 years), and must be affiliated to non-Italian institutions. A cumulative contribution up to 3000€ (researchers from European institutions) or 4000€ (researchers from non-European institutions) will be granted based on a rigorous selection process as a research award. This funding will cover participation to the conference, as well as travel costs, lodging, and meals for the entire one-month visiting period. Details on eligibility, application and selection process, as well as on available research topics and scientific representatives at the various host universities, can be found at the following URL

www.iscas2018.org/iscas2018-young-investigator-training-program/
